Beth - I haven't read all the emails yet, but even if (b) (5) I  
(b) (5) - between all the Puget  
Sound people, the fact that EPA's guidance/WQ sds/etc are all out of water, they should  
compile all of the Rylko/Burt/etc. questions/comments to create a good letter.

Sounds good. Karen and I will engage with Dennis F when he is back in the office next week and we will run things by Charlotte.

Hope the roll out is going well....

At a call in  
about 30 minutes, they are going to ask for enhanced monitoring and additional BMPs  
but we think the Navy will probably decline the suggestions. (b) (5)

I am  
wondering what your thoughts are on that.
